The Town disclaims any and all liability that may arise from the sale of goods by the vendors or by the conduct of the vendors and does not guarantee the marketability of vendors' goods or success of the vendors' efforts.

The Market is located in downtown Steilacoom on the Multi-Purpose Courts on Lafayette and Wilkes Streets. The Market hours are 3 to 7 pm, Wednesdays from June 17 thru August 26, 2020.

## PRODUCT, POLICIES & GUIDELINES

**All vendors must be Washington state farms and businesses. All products must be grown or produced in Washington State. No re-selling or franchise sales are allowed.**

- a) **Produce, Plants, & Flowers** - The Market strives to provide a market place where fresh, local and wholesome products are sold. Farm products which can be sold at the market include vegetables, fruits, berries, herbs, nuts, flowers, plants, honey, seafood, meat, poultry, eggs, and dairy products. Vendors wishing to offer samples MUST contact the Market Coordinator and submit an application to the Tacoma-Pierce County Health Department (TPCHD). All products must be grown, raised, produced or gathered by the vendor in Washington State or in counties bordering Washington State, with the exception of seafood which must originate from the greater Pacific Northwest (Washington, Oregon, Alaska or British Columbia
- b) **Processed Goods** - The Market accepts certain value-added items which are grown and/or made by the vendor such as (but not limited to): Baked goods, preserves, honey, sauces, dips, cheese, sausage, and smoked meats or fish. All processed foods must be appropriately labeled with product name, ingredients, net weight, price, and vendor's name. Prior to selling at the Market, all vendors must show appropriate TPCHD certification to the Market Coordinator. These permits must be displayed in public view during Market hours & comply with TPCHD regulations. Vendors wishing to sell processed food products must: 1) List all ingredients in the products to be sold at the market. It is expected that the vendor will use raw ingredients that are grown locally as appropriate for the product. 2) Provide Market management a sample of all products packaged and labeled as they will be sold at the Market. Market Management reserves the right to evaluate the products before approval for sale in the market.

- c) **Hand Crafted Items** - All craft products must be handcrafted wholly in Washington State or the counties bordering Washington State by the vendor and approved by the Market Coordinator and the Market Vendor Committee. (i.e. – plaques manufactured in China but painted in Washington State are NOT considered locally made). Returning craft vendors must have all new items approved before they are sold at the Market.
- d) **Prepared Foods** - Vendors must be pre-approved by the Market Coordinator and the Market Vendor Committee. Prepared food vendors are required to offer at least one locally sourced item on their menu (one item is typically 25% of their menu) and advertise it prominently at their booth (local ingredients used must be mentioned specifically in the menu item advertisement). Prior to selling at the Market, all prepared food vendors must show appropriate TPCHD certification to the Market Coordinator. These permits must be displayed in public view during Market hours. All prepared food processor trailers must comply with TPCHD regulations. Food vendors must commit to a specific menu and any changes to that menu must be pre-approved by the Health Department and Market staff by a minimum of two weeks prior to serving that item.
- e) **Overlapping Products** - Vendors whose products or practices place them in more than one category are subject to all the requirements of each category.
- f) **Communities**- Vendors in this category, include Steilacoom-based organizations such as youth groups (scouts, etc.) and non-profit organizations such as gardening clubs, etc., are encouraged to submit application for review to participate at the market.

## **VENDOR SELECTION/RATIO**

Vendors are selected annually by the Market Coordinator and the Market Vendor Committee. Selection will be based on quality, originality, locality, and compatibility with existing market mix and mission statement, as well as vendor performance and seniority. No vendor will have guaranteed return rights to the Market from season to season . The Market generally does not offer exclusive rights to vendors to sell any one product. Market customers generally benefit from having a choice. However, if the Market believes the number of vendors offering the same or similar products is excessive, duplicate products may be denied entry. All selected vendors must complete and sign a vendor application and contract each season prior to selling at the Market.

Appropriate application, Health Department, and pre-paid stall fees must be paid. Agricultural products will be given priority over other product categories. Farm vendors will also be given priority in space and location assignment. Vendors selling nonagricultural products may be placed on a wait list to maintain agricultural balance in the Market mix. The Market reserves the right to interpret vendor balance as we deem appropriate for the overall good of the market and its participants. Vendors who wish to dispute any market dealings are advised to complete a vendor complaint form, which will be reviewed by the Town Administrator.

## **MARKET DAY RESPONSIBILITIES**

The Markets are community events where many diverse people are gathered to shop and sell. Vendors and their representatives are expected to conduct themselves in a respectful, safe, courteous, and harmonious manner with customers, market volunteers, and each other.

- a) **Absence & Cancellations** - Vendors with paid reservations are responsible for occupying that space on each market day. Vendors not able to attend a reserved market day are required to notify the Market Coordinator at 253-257-5010, or e-mail [allison.leevers@ci.steilacoom.wa.us](mailto:allison.leevers@ci.steilacoom.wa.us), at least 24 hours prior to the market day, or the paid reservation will be forfeited. Vendors who do not call or email at least 24 hours prior to the market day will be charged the stall fee for that day. Repeated non-

appearance (more than 3 times) may result in the loss of market participation. Space fees are non-refundable unless approved by the Market Coordinator.

- b) Arrival - Vendors are required to register their attendance from 30 minutes up to 2 hours prior to market opening. If the vendor is not present at the Market 30 minutes before the start of the Market, the stall may not be available for the assigned vendor. Repeat violations may result in first come first serve basis for available space. Due to traffic safety, vendor vehicles arriving less than 30 minutes prior to opening may not be allowed to pass the road blockage. **Street Closing:** Wilkes Street will be closed from noon to 8:00 pm for the Market.
- c) Unloading - Between 30 minutes and 2 hours prior to the Market opening, vendors may enter the Market area with their vehicles for the purpose of unloading only. No vehicles will be allowed inside the multipurpose court. Vendors are required to unload, move vehicle off-site, and then set up the stall. Do not set up your booth before moving your vehicle out of the way first. Others need access to the loading space. Please be patient and offer assistance when possible so that everyone can complete this task efficiently. No vehicles will be allowed to enter the market 30 minutes before the Market opens. If a vendor arrives less than 30 minutes before the Market opens, they should park off-site, find the Market Coordinator to be directed to a space, and carry all goods in by hand. The space assigned to vendors arriving late may or may not be the originally assigned space.
- d) Parking – Parking on the streets surrounding the Market are for customers. All vendors must park in the assigned lot SOUTH of the Oberlin Church on Rainier Street after unloading your setup items. Signs will be clearly posted. Please check in with the Information Booth for your 2020 Vendor Parking Permit on the first day of the Market.
- e) Stall Set Up - Each vendor will be assigned one 10'x10' stall space. Special requests for smaller or larger space may be accommodated depending on the space available at the Market and is determined at the discretion of the Market Coordinator. Stall assignments are not transferable, and may change from week to week. Vendors will provide their own tables, signs, canopies and other desired materials. All vendors who wish to set up canopies (including umbrellas) on the Farmers' Market site during a normal period of Market operations, including the set up and break down period, are required to have their canopies sufficiently and safely anchored (25 lbs. per leg) at all time. For safety, any tent or canopy which is not properly anchored will not be allowed and must be removed by the vendor. Any damage incurred by a vendor due to wind/weather will be at the expense of that vendor. **NO STAKES ARE ALLOWED TO HELP SECURE THE CANOPY.** The Market, the Board, and the Town are not responsible for loss or damage of property.
- f) Transfer of Space - Vendors may **not** sublet stall space to others. Prepaid fees are non-transferable to other market dates or vendors. If a vendor sells his or her business, he/she may not transfer his or her market spaces to the new owner.
- g) Signage - Each vendor must display a tastefully crafted sign clearly showing their producer/business name or the name of the farm/business, the business's location and telephone number. Vendors are responsible for providing their own bags for purchases.
- h) WIC/SNAP Coupons and EBT tokens - We strongly encourage produce and honey vendors to accept WIC and SNAP coupons, and all vendors that qualify to accept EBT tokens to participate in the program. The Market coordinator will stamp WIC and

Senior FMNP coupons, and will reimburse EBT tokens by check to vendors within one week at the next Market Wednesday.

- i) Selling/ Pricing - All vendors must be set up and ready to sell by start time. Vendors are responsible for pricing, safety and quality of their goods and cannot sell adulterated goods. Prices must be clearly marked on all items for sale. Pricing of goods sold at the Market is solely the responsibility of the individual vendor. The Market Coordinator does not have the authority to fix prices. However, the Market Coordinator does reserve the right to conduct market research and set a low-price limit, and vendors will not be allowed to sell below this price. Thus, vendors are discouraged from giving produce or items away for free or at below-cost pricing, as this undercuts potential sales for other vendors. This does not include sampling.
  
- j) Stall Fees – Vendors who pay in advance for the 11-week Market season are offered a discounted price of \$250 (if power is needed: \$300). This is a significant savings compared to the weekly stall fee payments, which would total \$300 or with power: \$350. Daily rate for Food Trucks & Trailers larger than 10 ft x10 ft is \$65. The discounted rate if paid before the season begins is \$500. Your advanced payment also secures your stall location throughout the season.

Vendors who pay for individual days must pay the daily rate in Cash or with “approved” local Check to the Market coordinator at the close of each Market day.

- k) Electricity – All electrical equipment must be **pre-approved** by the Market Coordinator. Vendors requiring electrical power are responsible for providing their own outdoor extension cords and mats to cover any and all portions of the cord that lie in any area utilized by market customers. The Market cannot guarantee electricity to its vendors.
  
- l) Daily Gross Sales Report - All vendors are asked to complete an anonymous gross sales report to the Market Coordinator. The Washington State Farmers’ Market Association uses this data to reflect factors that affect our Market’s success (weather, holidays, special events), and show the economic impact of Farmers’ Markets to the community. This information also benefits future funding opportunities to promote your local products at our Market.
  
- m) Scale - Vendors selling produce by weight must provide their own scales, which must be “legal for trade” and are subject to inspection by the Dept. of Agriculture’s Weights and Measures Program. All scales must be readable and in easy sight of your customers during business transactions.
  
- n) Labeling- All product labels such as “organic”, “unsprayed, pesticide-free, or low-spray” must comply with the Washington State law. State law restricts the use of the phrase “Certified Organic” to those who have, in fact, been certified by the Department of Agriculture. Please advertise and respond to customers’ questions truthfully. To ensure that buyers receive sufficient and accurate information, quantity and price of pre-measured products and prepared goods must be labeled with quantity, price, business name, address, and phone number.
  
- o) Sanitation- All vendors must adhere to sanitary procedures as outlined by the Tacoma-Pierce County Health Department. All prepared food vendors, vendors

selling farm products such as meat, dairy, and eggs, and others wishing to offer samples must be approved by the Health Department. Vendors are required to keep their individual selling space in a clean, safe and sanitary manner. Vendors are not permitted to dispose of produce waste, overripe or leftover produce or boxes in any on-site garbage cans or dumpsters. The Market trashcans and dumpsters are available for patron use. Vendors must monitor and supervise their children at all time during the Market hours. **No animals are permitted in vendor stalls with the exception of service animals, as required by the Americans with Disabilities Act or pets that are being exhibited by an approved adoption agency of Pierce County.**

- p) **Take Down** - Vendors are required to stay until market closing. Vendors who sell-out early must keep their stall set up until closing time, and post a sign letting customers know they have sold out. Vendors will break down their display promptly at closing time. Vehicles will be allowed to enter the market site 15 minutes after market closing, HOWEVER, VENDORS SHOULD NOT LEAVE THE MARKET TO RETRIEVE THEIR VEHICLES UNTIL THEY HAVE COMPLETELY TAKEN DOWN THEIR STALL, INCLUDING PACKING UP REMAINING PRODUCT, COLLAPSING CANOPIES OR TENTS, AND CLEANING UP ANY DEBRIS.
- q) **Clean- Up** - Vendors must clean their stalls and vacate the sites by one hour after closing. Each vendor is responsible for removing any trash or garbage that is generated in or around their stalls. This includes removing all debris, sweeping and, if necessary washing down the stall site. All vendors must bring containers suitable for waste removal, including oily waste. No dumping of ice and/or ice chests. We follow the policy of “you haul it in, you haul it out”. Prepared food vendors must have an impermeable tarp or mat under the entire stall to protect the sidewalks and streets from grease and food waste, as well as overhead coverage as required by the Tacoma-Pierce County Health Department. Oil pans must be placed under vehicles. Vendors not adhering to these policies will receive a warning for the first offense, followed by cleaning fines and possible expulsion from the Market. Everyone appreciates your effort to keep the Market clean.
