Program Update

The Community Center is dedicated to protecting the health of all our patrons. As such, we ask that all people participating in activities at the Center sign a COVID-19 Waiver, agreeing to help us keep the Center clean and others safe. Masks are still required in the Community Center for all individuals. If masking is not possible for you, please wear a face shield instead. Some instructors may not resume their programs until later in the year, or at all. Please check future editions of The Center of The Universe, [CivicRec](#), or at the Front Desk for more information on current active programs.
