## Junior Explorers Summer Pre-camp

### With Ms Melody

The perfect first camp experience for ages 3 ½ -6.

#### Be Prepared to ... have FUN!

Campers will spend a lot of time outdoors, allowing them to connect with nature, use their imaginations and get lots of exercise.

#### Activities

Some of our activities may include games, crafts, painting, songs, cooking, beach combing, exploring a local park, nature walks, with a little pre-k learning thrown in. Activities alternate between very active and relaxing and sun and shade.

Children will play with their friends, while making new ones. Some lifelong friendships start at camp.

**"Summer camp helps children increase their physical, emotional and social skills, independence, self-esteem, creativity, kindness, playfulness and appreciation for nature."**
